

website toolkit

the affordable web design alternative

Have you been procrastinating getting your business website online?

Not enough time? Don't know what to do? Think it will cost too much?

Think again!

For just \$99 and about 2 hours of your time the **Do It Now! Website Workshop** will help you get it done. (First month hosting included.)

Guaranteed!

When you leave the workshop, you will have a basic, functioning website, ready to go online!

Haven't you been procrastinating long enough?
